Mr. Nywening reviewed the request to approve an easement through the residential lot owned by Mr. and Mrs. McAuslan for Clayton McLauchlin. The easement would recognize the right to have a private electrical service through the property. Mr. Nywening noted that the agreement required Committee approval as it would extend longer than 20 years. He reported that the Official Plan did not have policy on the matter. Mr. Nywening supported the application subject to conditions.
